RELIEF REQUESTED

In the Statement of Claim, Claimant requested:

1. Expungement of Occurrence Number 1120480 from Claimant's CRD records pursuant to FINRA Rule 2080, as:
 - a. the claim, allegation, or information is factually impossible or clearly erroneous; and/or

In the Amended Statement of Claim, Claimant requested:

OTHER ISSUES CONSIDERED AND DECIDED

The Arbitrator acknowledges having read the pleadings and other materials filed by the parties.

On April 30, 2021, Claimant advised that the customer in Occurrence Number 1120480 ("Customer") was served with the Statement of Claim and notice of the date and time of the expungement hearing. On May 3, 2021, Claimant filed an Affidavit confirming that the Customer was served with the Statement of Claim and notice of the date and time of the expungement hearing.

The Arbitrator conducted a recorded, telephonic hearing on June 7, 2021, so the parties could present oral argument and evidence on Claimant's request for expungement.

Respondent participated in the expungement hearing and, as stated in the Statement of Answer, did not oppose the request for expungement.

The Customer did not participate in the expungement hearing. The Arbitrator found that the Customer had notice of the expungement request and hearing.

The Arbitrator reviewed Claimant's BrokerCheck® Report. The Arbitrator noted that a prior arbitration panel or court did not previously rule on expungement of the same occurrence in the CRD.

The Arbitrator noted that the dispute related to Occurrence Number 1120480 was not settled and, therefore, there was no settlement document to review.

In recommending expungement, the Arbitrator relied upon the following documentary or other evidence: pleadings; exhibits; and Claimant's testimony.

AWARD

After considering the pleadings, the testimony and evidence presented at the expungement hearing, and any post-hearing submissions, the Arbitrator has decided in full and final resolution of the issues submitted for determination as follows:

1. The Arbitrator recommends the expungement of all references to Occurrence Number 1120480 from registration records maintained by the CRD for Claimant Bradley Ross Thompson (CRD Number 3233338) with the understanding that, pursuant to Notice to Members 04-16, Claimant Bradley Ross Thompson must obtain confirmation from a court of competent jurisdiction before the CRD will execute the expungement directive.

Unless specifically waived in writing by FINRA, parties seeking judicial confirmation of an arbitration award containing expungement relief must name FINRA as an additional party and serve FINRA with all appropriate documents.

Pursuant to Rule 13805 of the Code of Arbitration Procedure ("Code"), the Arbitrator has made the following Rule 2080 affirmative findings of fact:

The claim, allegation, or information is factually impossible or clearly erroneous.

The claim, allegation, or information is false.

The Arbitrator has made the above Rule 2080 findings based on the following reasons:

The Customer was well briefed by Claimant as to the risks inherent to the Franklin Mutual Fund ("Mutual Fund") purchased. When the market sold off, which reduced the value of the Mutual Fund, the Customer complained to Respondent. The claim was denied. There was no settlement and no consequence to Claimant. Also, there was no follow-up by the Customer by way of arbitration or court filing. The Customer retained the Mutual Fund. Claimant is not responsible for market fluctuation. He explained the risk to the Customer. Also, the income component of the Mutual Fund was not affected and continued to be paid.

2. Any and all claims for relief not specifically addressed herein are denied.
