Form U5 Section: 4. Date Terminated

For a full termination this date represents the date the firm terminated the individual's association with the firm in a capacity that required registration. This date is used by jurisdictions/SROs to determine whether an individual is required to requalify by exam or if the individual is eligible for a waiver upon re-association with another firm.

A post-dated termination date of 12/31 of the current year is only allowed during the renewal period.

4. DATE OF TERMINATION

Date Terminated (MM/DD/YYYY):

A complete date of termination is required for *full termination*. This date represents the date the *firm* terminated the individual's association with the *firm* in a capacity for which registration is required.

For *partial termination*, the date of termination is only applicable to post-dated termination requests during the renewal period.

Notes: For *full termination*, this date is used by *jurisdictions/SROs* to determine whether an individual is required to requalify by examination or obtain an appropriate waiver upon reassociating with another *firm*.

The *SRO/jurisdiction* determines the effective date of termination of registration.

Generally, the Internal Review Disclosure question in Question 7B and the Internal Review Reporting Page (DRP U5) are used to report matters relating to compliance, not matters of a competitive nature. Responses should not include situations involving employment related disputes between the firm and the individual.

If a "yes" answer is provided to the Internal Review Disclosure question, the individual whose name appears in Section 1 (GENERAL INFORMATION) of this form may provide a brief summary of the event on Part II of the Internal Review Disclosure Reporting Page (DRP U5).
