In the Matter of the  
Continued Membership  
of  
Intesa Sanpaolo IMI  
Securities Corp.  
(CRD No. 19418)

Notice Pursuant to  
Rule 19h-1  
Securities Exchange Act  
of 1934

SD-2440

**March 24, 2025**

### **I. Introduction**

On October 23, 2024, Intesa Sanpaolo IMI Securities Corp. (“Intesa” or “Firm”) submitted a Membership Continuance Application (“MC-400A” or “Application”) to FINRA’s Credentialing, Registration, Education, and Disclosure (“CRED”) Department.<sup>1</sup> The Application seeks to permit the Firm, a FINRA member, to continue its membership with FINRA notwithstanding its statutory disqualification. A hearing was not held in this matter; rather, pursuant to FINRA Rule 9523(b), FINRA’s Department of Member Supervision (“FINRA,” “Member Supervision,” or “Department”) approves the Application and is filing this Notice pursuant to Rule 19h-1 of the Securities Exchange Act of 1934 (“Exchange Act” or “SEA”).

### **II. The Statutorily Disqualifying Event**

The Firm is subject to statutory disqualification, as that term is defined in Section 3(a)(39)(F) of the Exchange Act, incorporating by reference Sections 15(b)(4)(D) and (E), as a result of a September 2024 order issued by the Securities and Exchange Commission (“SEC” or “Commission”) finding that Intesa willfully violated Section 17(a) of the Exchange Act and Rule 17a-4(b)(4) and failed reasonably to supervise its employees with a view to preventing or detecting certain of its employees’ aiding and abetting violations of Section 17(a) of the Exchange Act and Rule 17a-4(b)(4) thereunder (“SEC Order”).<sup>2</sup>

<sup>1</sup> See MC-400A and related attachments compiled by CRED, with a cover memorandum dated November 6, 2024, attached as Exhibit 1.

<sup>2</sup> See SEC Order, *In re Intesa Sanpaolo IMI Securities Corp.*, Exchange Act Release No. 101139 (Sept. 24, 2024), attached as Exhibit 2.

The SEC Order also triggered disqualification under Rules 262(b)(2), 506(d)(2)(ii), and 602(e) of the Securities Act of 1933 and rule 503(b)(2) of Regulation Crowdfunding. On September 24, 2024, the SEC granted a waiver from the application of the disqualification provisions of these Rules. See *In re Off-Channel*

According to the SEC Order, from at least August 2020, Intesa employees sent and received off-channel communications that related to the Firm’s business, and a majority of these written communications was not maintained or preserved by the Firm.<sup>3</sup> Further, supervisors who were responsible for preventing this misconduct among junior employees routinely communicated off-channel using their personal devices, and, in so doing, failed to comply with Firm policies by communicating using non-Firm approved methods on their personal devices about the Firm’s broker-dealer business.<sup>4</sup>

The Firm was censured, ordered to cease and desist from committing or causing any future violations, ordered to pay a civil money penalty of \$1,500,000, and ordered to comply with certain undertakings.<sup>5</sup> The Firm represented that it paid the penalty and is in compliance with the undertakings.<sup>6</sup>

### **III. Remedial Measures**

In its Application, the Firm represented that it undertook remedial measures prior to the issuance of the SEC Order, including enhancement of its policies and procedures, and increased training concerning the use of approved communications methods, including on personal devices.<sup>7</sup> The Firm also began implementing significant changes to the technology available to personnel, including providing Firm personnel with Firm-issued devices.<sup>8</sup>

According to the SEC Order, the Commission considered the Firm’s prompt remedial actions and cooperation with the SEC when determining to accept the Offer of Settlement.<sup>9</sup>

## **VII. Discussion**

After carefully reviewing the entire record in this matter, FINRA approves the Firm's request to continue its membership with FINRA, subject to the terms and conditions set forth herein. In evaluating Intesa's Application, FINRA assessed whether the Firm has demonstrated that its continued membership is consistent with the public interest and does not create an unreasonable risk of harm to investors or the markets. *See* FINRA By-Laws, Art. III, Sec. 3(d); *cf. Frank Kufrovich*, 55 S.E.C. 616, 624 (2002) (holding that FINRA "may deny an application by a firm for association with a statutorily-disqualified individual if it determines that employment under the proposed plan would not be consistent with the public interest and the protection of investors"). Typically, factors that bear on FINRA's assessment include, among other things, the nature and gravity of the statutorily disqualifying misconduct, the time elapsed since its occurrence, the restrictions imposed, the Firm's regulatory history, and whether there has been any intervening misconduct.

As of the date of this Notice, FINRA has determined that the Firm's continued membership is consistent with the public interest and does not create an unreasonable risk of harm to investors or the markets. While the SEC Order identified serious violations of securities laws, the Firm was not expelled or suspended, nor were any limitations placed on Intesa's securities activities. Although the SEC Order triggered certain disqualifications from exemptions from registration available under the Securities Act of 1933 ("Securities Act"), specifically Regulations A, D and E of the Securities Act and Regulation Crowdfunding, the SEC granted the Firm a waiver from the application of the disqualification provisions of Rules 262(a)(4)(ii), 506(d)(1)(iv)(B), and 602(c)(3) of the Securities Act and Rule 503(a)(4)(ii) of Regulation Crowdfunding. Moreover, the full amount of the civil monetary penalty was promptly paid. Additionally, the Firm represented that it is in compliance with

the ordered undertakings in that Intesa has retained an independent compliance consultant, whose recommendations will be adopted by the Firm.<sup>26</sup>

Member Supervision also acknowledges that within the SEC Order the Commission considered the Firm's prompt remedial actions and cooperation with the Commission when determining to accept the Offer of Settlement. Specifically, Intesa enhanced its policies and procedures, increased training and began providing Firm personnel with Firm-issued devices.<sup>27</sup>

In evaluating the Firm's Application, FINRA notes that Intesa has a no recent disciplinary history. Additionally, in response to recent examination findings and exceptions, the Firm took steps to resolve them, which include updating deficient registrations and enhancing its policies and procedures. Following the approval of the Firm's continued membership in FINRA, FINRA intends to utilize its examination and surveillance processes to monitor the Firm's continued compliance with the standards prescribed by Exchange Act Rule 19h-1 and FINRA Rule 9523.

FINRA is further reassured by the controls set in place by the Firm's Supervision Plan which bolster the undertakings outlined in the SEC Order and will continue to provide oversight of the Firm and compliance with its remaining undertakings. In accordance with the Plan, the Firm agreed to conduct annual training for all associated persons, including new hires, regarding the Firm's approved digital communication methods and record retention policies for electronic communications. Further, the Plan calls for the Firm to maintain a list of approved digital communication methods that associated persons are permitted to use for Firm business and to circulate that list to its associated persons semi-annually. The Plan requires the Firm's associated persons to obtain written approval to use digital communication channels not already approved. The Plan prohibits the use of off-channel communications and requires associated persons to semi-annually disclose any unapproved digital communication methods they are using for Firm business; they must also forward any off-channel communications that may have taken place to the Firm for retention purposes. These provisions will help to ensure that the Firm is aware of the communication methods being used by associated persons so that it can appropriately monitor, capture, and retain those communications. Additionally, the Plan mandates that the Firm develop policies and procedures for disciplining associated persons who use unapproved communication methods for Firm business and segregate all certifications, reports, and supporting documentation submitted to the SEC regarding compliance with the undertakings, for ease of review by FINRA staff to ensure ongoing compliance.

Thus, FINRA is satisfied, based on the foregoing and on the Firm's representations made pursuant to the Supervision Plan, that the Firm's continued membership in FINRA is consistent with the public interest and does not create an unreasonable risk of harm to the market or investors. Accordingly, FINRA approves Intesa's Application to continue its membership with FINRA.

<sup>26</sup> See Exhibit 4.

<sup>27</sup> See Exhibit 2 p. 5, para. 26.

FINRA certifies that the Firm meets all qualification requirements and represents that the Firm is registered with several other SROs including Nasdaq, NYSE, DTC, FICC-GOV and NSCC. These SROs have been provided with the terms and conditions of Intesa's proposed continued membership and concur with FINRA.

In conformity with the provisions of Rule 19h-1 of the Exchange Act, the continued membership of the Firm will become effective within 30 days of the receipt of this notice by the Commission, unless otherwise notified by the SEC.
