To whom it may concern-

Leveraged securities are a core element of our disciplined investment strategy, enabling us to harness the power of volatility while remaining highly diversified.

Limiting access to these investments from responsible individual investors like us would be patently unfair and would create a major obstacle to our proven, successful wealth-building and retirement strategy.

Please, please do not allow small - investor access to these powerful investment vehicles to be limited.

Sincerely,
Timothy R Spooner
Patricia L DuBois-Spooner
